

## Annual Program Sponsorship Opportunities

### Investing in Leadership West Virginia

Leadership West Virginia partners with organizations, corporations, and individuals across the state to provide class participants unparalleled educational and leadership opportunities. You can contribute to the meaningful experience of participants by making financial and in-kind donations. The program tuition covers only 40 percent of the costs, so Leadership West Virginia relies on donations from alumni and the community to maintain high-quality training and experiences for today's West Virginia's leaders.

Support leaders in West Virginia who will be trained and ready to lead our state in the areas of economic development, energy production, education and quality of life. You can have a firsthand impact on the advancement of the state with an investment in Leadership West Virginia. Below you will find a list of financial giving opportunities. Please note, LWV designs each opportunity to highlight and leverage partnerships.

### Diamond Partner: \$55,000 + over 5 years

- Partnership recognized on our website and in a press release
- Recognition in LWV publications and social media
- Opportunity to speak during each year at an event or session
